				Drop everything and READ! - World Book Day	
15.00	Class reader: The Nowhere Emporium	Class reader: The Nowhere Emporium	Class reader: The Nowhere Emporium	Class reader: The Nowhere Emporium	

If you have finished your work, here are some extension activities.

Go back to your morning tasks. **Reading-** reread the text yourself and see if you can add extra information into your task or explain it in more detail. **English-** Edit and improve your writing, just like we do in class. Use a thesaurus to improve your language. **Maths-** Ensure you have completed all tasks. I know the challenges are tricky, but have a go. Act/draw it out, underline or discuss it with someone. Challenges are what help us to learn and grow. You could also make up your own word problems.

Other ideas: Read a book of your choosing. Write a **book review** for the class to encourage them to read it. Complete your set work on **Sumdog**. Do some reading on **Oxford Owl**. Ensure you have completed the **daily exercise activity**. Do some **research** on your current topic. Watch **Newsround** and write a newspaper report based on the current news.
