

PSHE

Being Me in My World:

In this topic we will be identifying some of our hopes for the year ahead and thinking about our rights and responsibilities for being members of our class and school. We will also think about the choices we make and the consequences of our choices.

Music - In music children will listen to 'Aquarium' from 'Carnival of the Animals' by Saint-Saëns. Children will respond to music through moving, exploring the sound of instruments, listening and singing. They will work together to compose their own musical aquarium soundscape using tuned and untuned percussion instruments.

Computing

The children will be learning how to log in safely on a computer and basic commands such as save, print, open and new. They will explore how and where to save work and how to find work.

Religious Education

Topic: Beginnings

In this topic we will be learning about the many beginnings each day offers and that God is present in every beginning.

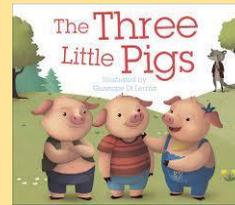

Art and Design

The children will be learning to develop our painting skills. We will be using primary colours to make different colours and shades.

We will be painting landscapes and cityscapes.

AUTUMN 1 2022 (Year 1)

Story telling - The three little pigs

PE - The children will be developing their dance skills this term by focusing on movement in free space, balance and jumping. They will then create short dance sequences to music. The children will also be working on a range of ball skills including rolling, throwing, catching and striking with accuracy.

Geography: We will be learning about the countries that make up the United Kingdom and the seas that surround it. We will also learn about capital cities as well as building on knowledge about our local area of Mitcham. The features of towns, cities and the countryside will also be covered.

Literacy: - The three little pigs

During the literacy lessons children will be continuing practising how to use their phonics knowledge to read and write, **using phase 2,3,5 phonemes** independently. We will be developing our reading fluency. Through storytelling the children will be retelling the story of 'The Three Little Pigs.' They are focussing on the characters we care about. They will be writing sentences using capital letters, full stops and finger spaces.

Science: During this term we will be identifying, analysing and comparing every day materials and discussing their properties. We will be grouping and classifying materials based on similar properties and how suitable they are for different purposes. The children will also develop their scientific language.

Maths - Number and Place value.

Maths - Number and Place value.

The children will learn to count to 10 and beyond and represent the amount using numerals. Children will be learning how to work out one more/one less through practical activities as well as learning to use number sentences to represent these ideas.
