

PSED

Working alongside our friends and role playing as pirates. Taking turns with the resources and understanding how to reach a solution.

Thinking about our feelings and how we can help each other when we are sad.

PD

Making healthy choices when making our own basket of fruit.

Using scissors, pencils, glue to create pirate accessories, maps and pictures.

Considering how best to walk the plank so it takes longer to get to the end and fall into the water.

CL

We will be singing pirates songs and role playing as pirates.

Asking questions about different parts of the world and investigating what they are like.

Talking about new experiences such as what we can see under the sea, how it would make us feel being in Africa or whether we like to be a pirate.

Maths

Exploring positional language and talking about where the pirates are hiding on the ship.

Talking through routines of the day using first, next, finally.

Exploring addition and subtraction using objects and amounts up to 5.

Amazing Adventures

Literacy

Writing secret messages in bottles and sending them off the sea.

Finding rhyming words for the pirate chest.

Making sound soup with matching sound pictures.

Create our own pirate name and write my name independently.

Retell the parts of the story we have looked and at talk about our favourite bits.

Understanding the world

Exploring different parts of the world on our pirate ship.

How are the countries different or the same?

Exploring what lives deep below us in the ocean.

Use all our senses to explore the fruits in Handa's basket.

Expressive arts and design

Create pirate accessories, maps, boats and pictures. Invent a deep-sea fish all of our own.

Observational painting of the fruit Handa gave to her friend.

Build London eye sights using blocks
