

Religious Education

Friends

We will be learning that Jesus had friends and that we can be friends of Jesus.

Islam

We will be finding out about Mosques and prayer mats.

Our World

We will be thinking about the wonderful world that God has made for everyone and praising God for it.

Personal, Social and Emotional Development Relationships

The children will continue to explore Relationships Education and the topic 'Changing Me' through the PSHE Jigsaw scheme and RSE scheme approved by the diocese 'Journey in Love'.

Physical Development

Fine Motor We will continue to practise using one handed tools such as scissors and tweezers.. We will continue to practise using a static tripod grasp. We will continue to practise good cutlery grasp, spreading and cutting with a knife.

Gross Motor We will play team games and work together to complete a physical challenge.

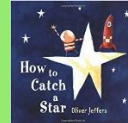

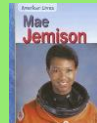

Literacy

We will be reading our core text: **Whatever Next, Look up!**, We will be continuing our Phonics-recapping phase 3 and Phase 4 words We will be focusing on correct letter formation We will be writing sentences, using finger spaces in between words and adding full stops and capital letters.

AMAZING adventures!

RECEPTION SUMMER 2 Core text

Whatever Next, Look up! How to catch a star.

Expressive Art and Design

We will be looking at the artist **Salvador Dali**. We will be taking part in Spirited arts project with the diocese.

We will recreate stepping into the story and drawing story maps.

We will be using recycled materials to create a rocket to travel into space.

Communication and Language

We will be continuing to develop our use of information text, glossarys, index, contents page. We will be continuing finding facts and using information text and using question words to find information. We will be asking our own questions using question words.

Mathematics

We will continue, copy and create repeating patterns. We will explore building doubles. We will be learning to share equally. We will explore Even and Odd quantities. We will engage in problem solving and explore spatial reasoning.

Understanding of World

We will be looking at the space travel. We will be looking at the astronauts Mae Jemison and Tim Peaks. We will be using information books to find out facts about the space.
