SS Peter & Paul Catholic Primary School

Catholic Social Teaching

How Catholic Social Teaching is lived at SS Peter & Paul · 2026–27

Our commitment

Catholic Social Teaching is woven meaningfully throughout our Religious Education curriculum and across the wider life of the school.

The principles our children learn

Children learn that Catholic faith calls us to action. They explore principles including human dignity, the common good, solidarity, subsidiarity, stewardship, participation, the dignity of work, the option for the poor and vulnerable, and the promotion of peace.

Making the connections

Through age-appropriate discussion and practical experiences, children are encouraged to make connections between Scripture, Catholic Social Teaching and the world around them.

Our aim is for children increasingly to recognise these connections for themselves and to consider questions such as:

- What does our faith teach us?
- What is happening in the world?
- What can we do about it?

Faith in action

Opportunities for charitable action, stewardship, pupil leadership and service enable children to put their learning into practice and recognise that faith is lived through our relationships, choices and actions.
